Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Carrie Film Furnace project being carried out by the Pittsburgh Film Office and Regional Industrial Development Corporation. The recipient, the Pittsburgh Film office, address is 535 Smithfield St #500, Pittsburgh, PA 15222. The project will develop a complex that will be constructed at the site of the historic Carrie Blast Furnaces, in Rankin, a federally designated opportunity zone and will link Pittsburgh's steel-making past with the innovative film industry. This funding will support phase one, which consists of the development of four stages totaling 72,000 SF, a 40,000 SF mill & shop building, and a 60,000 SF production office space. The partners in the project are also creating a workforce development program to hire from the surrounding communities to work in the film industry. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely

Mike Doyle  
Member of Congress
